

Summer Reading Challenge

BES is excited to announce our Summer Reading Challenge! This challenge will provide extra opportunities for your student to earn house points and possibly earn a Summer Reading Challenge House Party. All you have to do is read the books listed with your student, then sign and return the reading log when school begins.

READ

Places You Can Visit To Talk About the World

Visit the local library together. Ask the librarian:

What is the history of the library?

When was the library built?

Who built the library?

How many people visit the library each year?

What programs does the library offer?

First Grade

The books listed will support instruction at the beginning of the year for our reading curriculum module one. This challenge is **optional** but provides a way for your child to listen to and read about topics they will learn about in school. As you read with your first grader, ask:

What do you notice and wonder?

Beech Elementary
