

## Summer Reading Challenge

BES is excited to announce our Summer Reading Challenge! This challenge will provide extra opportunities for your student to earn house points and possibly earn a Summer Reading Challenge House Party. All you have to do is read the books listed with your student, then sign and return the reading log when school begins.

# READ

### Places You Can Visit To Talk About the Seasons

*Take a walk outside together. Ask:*

- What do you notice about the leaves on the trees?
- What animals have we seen in the park?
- What do you wonder about the animals during this season?
- What is your favorite part about being outside during this season?

## Second Grade

The books listed will support instruction at the beginning of the year for our reading curriculum module one. This challenge is **optional** but provides a way for your child to listen to and read about topics they will learn about in school. As you read with your second grader, ask:

What do you notice and wonder?

## Beech Elementary
