

BES families,

We're close to starting our new school year! While it looks and feels different in many ways, the PTO is striving for *flexibility, positivity, and creativity* as much as possible. We will be at the on-site registration with three designated tables in the cafeteria. Please come see us after you visit your classroom.

1. New merchandise including hats, scrunchies, cinch bags, shirts, face masks, and more!
2. 2019-2020 yearbooks for pick-up if you did not get a chance to pick up your order this summer.
3. An information packet along with the opportunity to sign up for volunteering and sign up to get our weekly newsletter.
 - a. Last but not least, we are asking for the annual PTO donation to fund the computer instructor salary and several other initiatives we fund that are shown in the information packet. We are recommending \$50 per child, up to a max of \$150 per household.
 - b. Your generous donation is tax deductible! Ask a PTO member for a receipt!

To *get a head start and skip some of these lines* for a better registration flow, we are encouraging families to get the packet, do the sign-ups, and pay online **BEFORE** you come to registration.

If you would like to volunteer this school year in any capacity, big or small, please email us at: besptovolunteer@gmail.com

If you would like to receive the PTO weekly email newsletter this school year, please email us at: bes.sumnerschools.pto@gmail.com

(If you already get the newsletter and volunteer opportunity emails, you can skip this sign-up step.)

Also, we set up PayPal and Venmo accounts. The preference is Venmo to avoid fees, but we created both for flexibility.

Please use these links:

We appreciate your support, and we want to help make this year great for the BES community and families, our children, and BES staff and teachers.
